** See UT Undergraduate Catalog for Prerequisites

^Transfer students may have a total of 8 credit hours for Anatomy & Physiology.

Note: RNs receive proficiency credit for five of the major clinical courses (361, 403, 404, 421 and 461 for a total of 24 credits) exclusive of Community Health. These 24 credit hours will be held in escrow until the semester of graduation.

Note: RN-BSN students must have 60 credit hours (including credit by proficiency) from a 4-year institution.

Effective June 2009

**THE UNIVERSITY OF TENNESSEE
COLLEGE OF NURSING**

General Education Requirements:

The BSN program is designed to fulfill all General Education requirements of the University. Please see the current catalog (<http://catalog.utk.edu>) for courses acceptable in the “Arts and Humanities” and “Cultures and Civilizations” categories.

American History Requirement:

Any student who has not had American History in high school is required by Tennessee State Law to complete one unit of American History on the high school level or six semester hours of collegiate American History
